- **100% Grass Fed**

### Why Rum Jungle Beef Burgers?

- Rum Jungle Beef Burgers are produced using the finest **Free-Range** Australian beef sourced from the stunning grasslands of the Northern Territory.
- Our low pressure forming system guarantees a tender and juicy burger with a faster cook time from frozen.
- Individually wrapped for food hygiene, security and convenience.

**“When you introduce Rum Jungle Beef Burgers to your shelf or menu, be assured of full satisfaction.”**
